MANAGEMENT DISCUSSION AND ANALYSIS REPORT

ROLE OF NON-BANKING FINANCIAL COMPANIES IN ECONOMIC DEVELOPMENT:

NBFCs aid in economic development in following ways:

- Mobilization of resources- It converts savings into investments.
- Capital Formation- Aids to increase capital stock of Company.
- NBFCs provide long term credit and specialized credit.
- Aids in employment generation
- Help in development of financial markets.
- Help in attracting foreign grants.
- Helps in breaking the vicious circle of property by serving as Government's Instrument.

OVERALL REVIEW:

The Economic Survey 2016-17 forecasts a growth rate of 6.75 to 7.5 per cent for FY18, as compared to the expected growth rate of 6.5 per cent in FY17. Over the medium run, the implementation of the Goods and Services Tax (GST), follow-up to demonetization, and enacting other structural reforms should take the economy towards its potential real GDP growth of 8 per cent to 10 per cent.

The economic fundamentals are showing healthy trends, which corroborates the expected growth in the economy. Inflation has been largely tamed. The investment cycle in India is showing positive growth and expenditure on consumption is increasing, although in a fluctuating trend. This growth is likely to be sustainable considering government's focus on industrial activities, infrastructure development and ease of doing business.

Government targets fiscal deficit at 3.2% of gross domestic product (GDP) for 2017-18, deferring the 3% of GDP target by a year. Also Government targets to achieve revenue deficit of 1.9% of GDP in 2017-18 from the earlier target of 2% of GDP. The Finance Ministry said the government on a reassessment of the macroeconomic needs of higher public expenditure in a scenario when private investment is not picking up has tilted in favour of the gradual reduction of fiscal deficit

OPPORTUNITIES, THREATS, RISKS, CONCERNS, PERFORMANCE AND OUTLOOK:

According to the Reserve Bank of India's (RBI) Financial Stability Report, NBFC loans expanded 16.6% in the year, twice as fast as the pedestrian credit growth of 8.8% across the banking sector. The aggregate balance sheet of the NBFC sector expanded 15.5% in year 2016-17 in comparison to 15.7% from the previous year. The profitability of NBFCs was significantly higher as compared to the commercial banks.

As there have wide scope of expansions for the NBFC in finance sector in India, NBFCs are now become crucial way for getting investment to other sector of markets. Along with the facilities such as investment NBFCs are now have a new opportunities as per the new RBI norms which are strictly followed by all the NBFCs.

NBFCs being financial intermediaries are engaged in the activity of investment. In this role they are perceived to be playing a complimentary role to banks rather than competitors, as it is a known fact that majority of the population in the country do not yet have access to mainstream financial products and services including a bank account and therefore the country needs institutions beyond banks for reaching out in areas where banks' presence may be lesser. Thus NBFCs especially those catering to the urban and rural poor namely NBFC-MFIs and Asset Finance Companies have a complimentary role in the financial inclusion agenda of the country. NBFCs bring the much needed diversity to the financial sector thereby diversifying the risks, increasing liquidity in the markets thereby promoting financial stability and bringing efficiency to the financial sector.

In the backdrop of a growing economy, NBFCs will continue to grow in the financial ecosystem and create meaningful financial inclusion and further the government agenda of 'Make in India' and 'Start-Up India'

FINANCIAL PERFORMANCE WITH RESPECT TO OPERATIONAL PERFORMANCE:

The financial performance of the Company for the year 2016-17 is described in the Directors Report under the head of 'Operation'.

SEGMENT WISE PERFORMANCE:

The Company has only one segment i.e. NBFC – Investment Company.

INTERNAL CONTROL SYSTEMS AND ADEQUACY:

The Internal Control Systems and their Adequacy of the company for the year 2016-17 is described in the Directors Report under the head of 'Internal Control Systems And Their Adequacy'.

HUMAN RESOURCE DEVELOPMENT/INDUSTRIAL RELATIONS:

Driven by the Group's visionary leadership during the year, training programs are conducted to facilitate competency development both functional and behavioral for harmonious and cordial Industrial relations. The knowledge and skill enhancement programme were conducted for the employees. No operating days were lost due to strike, lock out etc. Human Resources Development, in all its aspects like training safety and social values are under constant focus of the management.

CAUTIONARY STATEMENT:

Actual results may vary significantly from the forward-looking statements contained in this document due to various risks and uncertainties. Several factors could make a significant difference to the Company's operations. “ANNEXURE B” TO AUDITOR’S REPORT

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of Indo Credit Capital Limited (“the Company”) as of March 31, 2017 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.
